Agenda no:	Agenda Items			
MPC23.24.81	Apologies for absence - were received from Councillors Phillips, Simmons, Thomas and Wilkinson.			
MPC23.24.82	Members' Declarations of Interests Cllr Cole declared an interest in Minute 88(a) (planning application) as an employee of a company who may carry out work for the development, and withdrew from the meeting during consideration of that item.			
MPC23.24.83	To approve written requests for dispensation – None			
MPC23.24.84	Cornwall Councillor report			
	C.Cllr Bastin reported on the following:			
	- the first meeting of the new CAP (Community Area Partnership) had been held and Cllr West has volunteered to serve on the Funding Panel. Dates of forthcoming CAP meetings were given.			
	- there are remaining funds in the Highways Scheme for the area			
	- Budock Parish Council have invited Alan Mason (Enforcement, Cornwall Council) to meet and discuss enforcement issues, and so he may also come to Mabe if the council requests it.			
	- Community Capacity Fund, this area has been under-represented in the funding round, and so worth encouraging applications. Applications can be submitted by the parish council and by community organisations. Members noted that the council could submit a funding application for purchasing the field off Antron Hill, previously sought through devolution.			
	Cllr West volunteered to research potential for grant funding for projects in Mabe.			
	It was reported that there had been a motorcycle accident on the junction where there had been the recent fatal accident.			
MPC23.24.85	Public Speaking – None			
MPC23.24.86	Minutes of meeting of the council held on 8 June 2023			
	Resolved – that the minutes of the meeting of the council, as above, having been circulated, be taken as read, approved and signed by the Chair as a true and accurate record of the meeting.			

MPC23.24.87 Clerk's update report - A brief verbal update was given and noted.					
MPC23.24.88	Planning Applications				
	a)	PA23/04862 – Land south of Coronation Cottages, Coronation Cottages, Mabe Burnthouse – Application for non-material amendment to PA21/07544 for Reserved matters for appearance, layout, scale and landscaping for the erection of 30 dwellings following outline planning permission PA19/03269 dated 16.12.2019, namely 1) House type changes 2) Minor changes to the positioning of some units.			
		Councillor Cole declared an interest in this item as his employer may carry out work on this proposed development, and withdrew from the meeting during consideration of this item.			
		Resolved – that the parish council considers that these are not minor amendments and so call for this application to be refused and for a full planning application to be submitted.			
	b)	PA22/10208 – Community Field, Chyan Farm, Jobs Water, Penryn – Retrospective change of use to Educational and Agricultural uses			
		Resolved – that the parish council objects to the application. There is insufficient detail included in the application documents. Based on the documents provided, the parish council has the following observations:			
		The application is for a change of use to Educational and Agricultural use. Whilst there is no indication as to its former use, which it is assumed was agricultural, the application infers that the proposed Tented Dome is temporary and for educational use. The purpose of inclusion of the plans, appertaining to the Sky Barn and Straw Bale building is unclear. It is unclear what class the change of use is from or to. It is also unclear if the proposed building relates to just the Dome tent or includes a sky barn and straw bale building. If it relates to the Domed Tent, again is this for a temporary structure for an educational building. This is of some importance as under the The Town and Country Planning (General Permitted Development) (England) Order 2015 part 4 Class A temporary Buildings. The Criteria that must be met changes in terms of both permitted and not permitted development, depending on what classification is applied. This change is in regard to temporary use and educational use.			
	c)	PA23/05207 – Mabe Parish Hall, Antron Hill, Mabe Burnthouse, Penryn – Works to trees under a tree preservation order (TPO) namely: 1517 (Beech) – Crown lift. 1518 (Sycamore) – Coppice. 1520 (Sycamore) – Crown reduce. 1522 (Beech) – Remove			
		Resolved – to support the application, provided it is supported by the County Tree Officer.			
	d)	PA23/05360 – Land south of Coronation Cottages, Coronation Cottages, Mabe Burnthouse TR10 9HA – Non-material amendment to decision PA21/07544 dated 20.05.22 to reduce the road width to 4.8m as shown on the submitted plan.			
		Resolved – that the application is not supported, there is insufficient detail relating to the amendment referred to. It was noted that the drawing on the application is dated April 2021.
